How to Play

There are two elements to the prizeboard in this seal card game. First, there are $105 in instant wins within each deal. Second, a total of $545 from each deal is awarded to players that have one of the twelve hold symbols within each deal.

Players open five windows on the back of the ticket. Winning symbol combinations are identified on the front of each ticket. All instant winners are determined by matching three identical symbols. There is a total of $105 in instant winners in each deal.

There are twelve hold tickets in each deal that are identified by Red Numbers (013 through 1113, inclusive). When the deal is sold out, the game operator will open the five windows on the seal card. These are labeled "$200 1 Win", "$100 1 Win", "$50 1 Win", "$25 3 Wins" and "$20 6 Wins". These prizes are awarded to the Red Number ticket holders according to the numbers identified under each window. There is a total of $545 in seal prizes to be distributed to the twelve Red Number ticket winners.
