Exhibit A

T4 014

Free Roll Series

Objectives:

- Provide a means for players to determine their rank of performance versus their peers.
- Provide championship recognition to an overall winner for a given time frame.
- Encourage repeat business to support the venue and it's charities.
- Provide a consistent branding for venue and charity marketing

Synopsis:

- By participating in the once daily Seabrook gaming llc Open Texas Hold Em tournaments at the Seabrook Poker Room during a given period of time, players will earn points based on both participation and performance. These points will be the basis for entry into the final tournament at the conclusion of the event period.
- Players may play in as few or as many tournaments as they would like during the posted period.
- In order to participate in the points tracking system, players will be required to sign up for a Player Id Card by showing a valid ID.

Point System:

- Each person participating in an eligible tournament will receive points for registering, regardless of finishing position. During a given period of time, players will earn points based on both participation and performance. These points will be the basis for entry into the final tournament at the conclusion of the event period.

- Additional points will be awarded to the top 10% of the field based on Seabrook Gaming's regular payout structure. (see point system below).

- Points for each tournament, and overall point standings, will be updated and posted in writing at The Seabrook Poker Room within 72 hours of completion of the event.

- At the completion of the scheduled events, the top 20% of all the point earners will be eligible to play in the Seabrook Open Free Roll Final event.

Eligible Events:

- One multi table Texas Hold Em Tournament per day will be designated a event. (Seabrook Poker Room has the right to cancel an event for any reason).

Prize Pools:

- Prize pools for scheduled events will be calculated using current standards and processes within the NHRCGC rules.

- After establishing which portion of the buy-ins the prize pool, and amount of $100 for that event, will be taken From the prize pool and held aside for the championship Final event.

- The remaining prize pool will be distributed as normal, using the Seabrook Poker Room's distribution Percentages based on the number of participants in the event.

Championship Event:

- The Championship event will be held on a specified date after the completion of the scheduled tournaments. This is to allow management time to post final point standings and allow the players time to determine if they are on the final list of eligible players.

- The Championship event will not have and entry fee. Only the top 20 % percent of eligible players will be allowed to play the Final Free Roll Championship Tournament.

- The event will be a No Limit Texas Hold Em'tournament event. All eligible players will start with the same amount of tournament chips.

- The prize pool for the event will consist of the entire amount of prize monies held aside from the events.

- The prize pool will be paid to the top 10% of the playing field, using the posted prize distribution percentages.

Benefits:

- Processes which include incentives for repeat entry have historically proven to increase overall participation. Increased participation results in lager tournament buy-in totals, which adds revenue for the venue, the charity and even the state. It also, results in proportionally larger prize pools for the players.

- Charities hosing the days when point events are held will benefit from larger tournament f ields.

- Charities hosting days when the championships are held benefit from increased traffic from the point leaders that attend the event.

- Players will benefit by having larger daily fields in the tournaments as well as the accomplishment of winning against their peers to be in the running for a Free Roll event.
