How to Play

There are two elements to the prizeboard in this seal card game. First, there are \$130 in instant wins within each deal. Second, a total of \$360 from each deal is awarded to players that have one of the eight hold symbols within each deal.

Players open five windows on the back of the ticket. Winning symbol combinations are identified on the front of each ticket. All instant winners are determined by matching three identical symbols. There is a total of \$130 in instant wins in each deal.

There are eight hold tickets that are identified by a numbered “ATM” symbol. The ATM symbols are numbered from 1 to 8 inclusive. Each of the eight holders of a numbered ATM symbol ticket will be awarded \$20. In addition, one of these eight ticket holders will win \$200 if their ATM hold number is the same as the ATM number under the tab on the seal card labeled \$200 1 Winner. This tab will be removed by the game operator once all tickets in the deal have been sold.

TOTAL WINNERS	PAY OUT VALUE	WINNING COMBINATIONS
