How to Play

There are two elements to the prizeboard in this seal card game. First, there are \$185 in instant wins within each deal. Second, a total of \$600 from each deal is awarded to players that have one of the eleven hold symbols within each deal.

Players open three windows on the back of the ticket. Winning symbol combinations are identified on the front of each ticket. All instant winners are determined by matching three identical symbols (the one holder of three beach balls will win \$50, the one holder of three sun tan lotion bottles will win \$25, the one holder of three wheel barrels of cash will win \$10, and the 200 holders of dollar bills will each win 50 cents). There is a total of \$185 in instant winners in each deal.

There are ten hold tickets that are identified by a numbered beach bum symbol and one “Big Kahuna” hold ticket. The beach bum symbols are numbered from 1 to 15 inclusive, but only ten of these symbols will be in each deal. When the deal is sold out, each of the ten holders of a numbered beach bum symbol ticket will be awarded the prize under the corresponding numbered beach bum window on the seal card. The prize amount under the windows totals \$600 and is made up of 1-\$200 winner, 1-\$100 winner, 1-\$50 winner, 2-\$25 winners, and 10-\$20 winners. Following the awarding of these ten prize amounts, there will remain five unopened windows. The holder of the “Big Kahuna” hold ticket will be awarded the total amount of prizes under these five windows. There is a total of \$600 in seal prizes to be distributed to the ten beach bum and one Big Kahuna ticket holders.

TOTAL WINNERS	PAY OUT VALUE	WINNING COMBINATIONS
