How to Play

In addition, there are 15 Down-Row “Bear” hold tickets in the deal (1 through 15). Each “Bear” Hold ticket is identified by a number, the Running Bear Symbol, and “Hold”. There are also 75 Bingo Ball Bear tickets in the deal (1 through 75). Each Bingo Ball Bear ticket has a Bear holding a bingo ball with a bingo number in it and “Hold”. Should the game not be sold out, players holding a “Hold” ticket will sign their name on the corresponding sign-up line located on the caller’s card.

Once the game is completely sold-out, the operator will announce the name of the game “Bear Run” and serial number, and that the game is now in play. The operator will then call bingo balls from the bingo machine. The first ball out determines the winning Bingo Ball Bear Holder number. The player holding the Bingo Ball Bear ticket with the matching number of the first ball out wins the \$100 prize.

The Bear Run winner is determined by the first vertical row to be completely called on the bingo board. The player holding the Bear Run ticket that matches the number at the top of the first completed vertical row on the bingo board wins the \$400 prize.
