How to Play

CAPTAIN KID™ is a seal card game with instant winners and a seal card winner. To play, the player would pay \$0.50 for the ticket and then open the windows on the back side to reveal the symbols. If the symbol inside the ticket matches the winning symbol referenced on the front, they are a winner. All instant winners will have a cash payout showing the amount won. There are 1,872 tickets in a deal with 93 instant winners.

Seal Card Instructions

There are 15 HOLD number tickets in the set, each identified by a red number 00 (100 through 1500) and the word “HOLD.” Players who receive a hold ticket sign their name on the corresponding sign-up line on the seal card. This ensures that if the game is not completely sold out in one day, the player will receive their winnings. Once the game is completely sold out, the operator will announce the name of game “CAPTAIN KID” and serial number, and that the game is now in play. Then the operator will open the seal to determine the winning hold number. The player holding the number revealed when the seal is opened is awarded the seal prize displayed on the seal (\$300) and the game is over.
