How to Play

There are two elements to the game.

First, there are \$250 in instant wins within each deal. Second, one player that holds a red 13 ticket will be identified by unveiling the tab on sealcard 1 and win \$200. There are also five different hold tickets portraying a dog and a one hold ticket identified as a dog catcher. The holders of these six tickets will win a total of \$300.

Players open three windows on the back of the ticket. Winning symbol combinations are identified on the front of each ticket. All instant winners are determined by matching three identical symbols (the 1 holder of three money symbols will win \$50, the 2 holders of three dog bowls will win \$25, the 20 holders of three dog collars will win \$1 each and the 260 holders of three dog treats will win \$0.50 each). There is a total of \$250 in instant winners in each deal.

There are also 18 “Hold” tickets that are identified by a number ending in a “Red 13” (numbers 013 through 1713, inclusive). Once all tickets in a deal have been sold, the gaming operator will unveil the window on the sealcard marked \$200 – 1 Winner. This window will have one of the hold numbers under the window. The holder of that ticket will win \$200.

There are also ten “Dog” windows on the sealcard. There are five different dogs with two windows each. Within the deal, there are five dog hold tickets – one for each type of dog. There is also a dog catcher hold ticket. Once all tickets in a deal have been sold, the holders of each of the dog tickets will direct the gaming operator to open one of their two respective dog windows. Under each window are the amounts available to be won: \$100 (Butch), \$60 (Precious), \$40 (Patches), \$40 (Sparky) and \$60 (Brutus). Under one of the windows pertaining to each dog, the total amount (e.g., \$100 to the Butch ticket holder) will be given to the holder of that dog ticket. Under the second window pertaining to each dog, the prize will be split on a 50/50 basis between the holder of that dog ticket and the holder of the dog catcher ticket (e.g., \$50 to the Butch ticket holder, \$50 to the Dog Catcher ticket holder). There is a total of \$300 that will be awarded to the five dog ticket holders and one dog catcher ticket holder.
