

How to Play

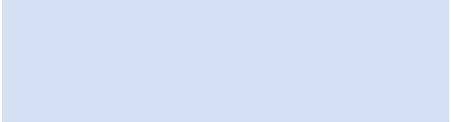

There are two elements of play to this seal card game. First, there is \$210 of instant wins within each deal. Second, a total of \$750 from each deal is awarded to players that hold the winning seal numbers under the tabs on the seal card.

The player would pay \$0.50 for the ticket and then open the 5 windows on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front, they are a winner. Pay all instant winners as tickets are opened and redeemed.

Seal Card Instructions

In addition to the instant winners, there are 10 sign up tickets, Red 13's (013, 113, 213, 313, 413, 513, 613, 713, 813 & 913) in the game. All of these sign-up tickets will have the words "HOLD for Sign Up" printed on the same ticket, but in a different window from the Red 13 number. All players with one of these Red 13 tickets should sign their name on the corresponding line on the seal card's register. Once the game is completely sold out, the gaming operator will open the tabs on the Seal Card which are labeled \$25 (four seals), \$50 (three seals), \$100 (two seals) and \$300 (one seal) for a total of \$750. Under each tab will be one of the sign-up ticket numbers. The holders of the corresponding sign-up tickets will win the seal prizes. Each holder of a Red 13 hold ticket will win a prize ranging from \$25 to \$300.
