How to Play

To play, the player would pay \$0.50 for the ticket and then open the five windows on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front of the ticket, they are a winner. All instant winners will have a cash payout showing the amount won. There are 2,580 tickets in a deal with 132 instant winners.

Seal Card Instructions

In addition, there are 18 “Red 13” HOLD tickets in the deal (013 through 1713), each identified by a red number 13. Players holding a “Red 13” HOLD ticket sign their name on the corresponding sign-up line on the seal card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings.

Once the game is completely sold out, the operator will announce the name of the game “KING OF THE MOUNTAIN® PROGRESSIVE” and serial number, and that the game is now in play. The operator will open the “\$5” seal windows to reveal four numbers ending in 13. These are the only numbers that qualify for continued play on the seal card. Each player holding a ticket with a number ending in red 13 matching a number revealed in a seal window is awarded a \$5 prize. Then the operator will open the “\$20” seal windows to reveal three numbers ending in 13. Each remaining player holding a ticket with a number ending in red 13 matching a number revealed in a seal window is awarded an additional \$20 prize. Then the operator will open the “\$50” seal windows to reveal two numbers ending in 13. Each remaining player holding a ticket with a number ending in red 13 matching a number revealed in a seal window is awarded an additional \$50 prize. Finally, the operator will open the “\$225” seal window to reveal one number ending in 13. The only remaining player holding the ticket with the number ending in red 13 matching the number revealed in the seal window is awarded an additional \$225 prize. The \$225 winning player then chooses one seal (#1 - #12) in the JACKPOT PRIZE section for a chance to win the JACKPOT PRIZE. Once opened, if “JACKPOT” is revealed in the seal window, the player is awarded the JACKPOT PRIZE. If however a dollar amount is revealed (\$100, \$50 or \$25), the player is awarded the prize amount shown and the remaining JACKPOT PRIZE CONTRIBUTION is rolled over and added to the JACKPOT PRIZE CONTRIBUTION of the next game.

Red 13 prizes in “mountain play” will be paid out as follows:

1 @ \$5, 1 @ \$25, 1 @ \$75, 1 @ \$300

Progressive prizes will be paid out as follows:

1 @ \$100 (\$200 rolled over and added to the JACKPOT CONTRIBUTION on the next game)

OR

1 @ \$50 (\$250 rolled over and added to the JACKPOT CONTRIBUTION on the next game)

OR

1 @ \$25 (\$275 rolled over and added to the JACKPOT CONTRIBUTION on the next game)
