Bingo Event Instructions

The Bingo Event will be played using the bingo mixing machine plus the flashboard/lighted game board and 75 bingo balls. Once the Lil' Peanut Bingo game is completely sold out, the operator will announce that the Lil' Peanut Bingo game, serial#_____, is about to be in play..

The Lil' Peanut Bingo game contains 150 total "daub" hold tickets with bingo numbers B1–O75. Each hold "daub" ticket has three bingo numbers and 2 free spaces on it. These hold "daub" tickets are played in conjunction with bingo balls. The players holding the "daub" tickets will daub the bingo numbers on their ticket as they are called in conjunction with the bingo balls.

The first player to "daub" all three numbers on their ticket wins the $300 event prize.

There will be one winner once a 3rd number is called on a Downline (on a Bingo Flashboard).
Once the 3rd number is called, the caller should announce that a single $300 winning ticket in the Lil' Peanut Bingo game is on the floor and award the prize to the lucky holder.

If the game is not completely sold out in one day, the players will sign the callers card/sign up sheet on the line corresponding with their hold ticket. This is to ensure when the game is completed, the player will receive their winnings.
