### How to Play

## Seal Card Instructions

In addition, there are 2 seal cards for this game labeled “1 of 2” and “2 of 2”, as well as a \$500 jackpot contribution per deal that goes to the Total Jackpot amount listed on seal card “2 of 2”. There are also 18 sign up tickets in the deal that are identified by red numbers 013-1713, (in increments of 100), and the word SIGN UP. All players with one of the red 13 tickets should sign their name on the corresponding numbered line on the seal card “1 of 2’s” register. Once the deal is completely sold out, the operator will open the die cut window on the seal card “1 of 2”. There will be one of the red 13 numbers listed under this seal along with the wording “WINNER PROCEEDS TO SEAL CARD 2 FOR CHANCE AT JACKPOT”. The player whose red 13 ticket matches the number under the seal wins \$300 and then gets to pick 1 of 6 windows on the jackpot seal card labeled “2 of 2”. Under the 6 seals on seal card “2 of 2” there will be either the word SORRY or JACKPOT. (5 will say SORRY, 1 will say JACKPOT randomized on each card). If the window the player picks is opened and reads “SORRY”, the player keeps their \$300, but does not win any additional money. The \$500 contribution from that deal stays in the Jackpot, and rolls over to the next deal. If the window the player picks is opened and reads “JACKPOT”, he/she keeps their \$300 already won, but in addition, wins whatever the jackpot amount is currently set at, and the jackpot value starts over with the next deal.
