Bingo Card #1 Image (Opened)

How to Play

To play, the player would pay \$0.50 per ticket and then open the window on the backside to reveal the symbols or numerals. If the symbols inside the ticket match the winning combinations on the ticket front, they are a winner. All instant winners have the cashier feature, which is the total winning amount. Pay all instant winners as tickets are opened and redeemed. In addition to instant play, there are 90 Total Holders. There are 15 Super Dawg hold tickets. Players with these tickets will be given a chance to choose any remaining Super Dawg tab (1-15) on the seal card. Players will retain the numbered Super Dawg tab until game play is completed. Additionally, there are 75 Bingo hold tickets with 1 Bingo number B01-O75.

TO DETERMINE THE FIRST BALL CALLED WINNER

Once the game is completely sold out, the operator will announce the Super Dawg game serial number xxxx is now in play and will begin calling bingo balls from the bingo machine. The first bingo ball drawn during the play of the Super Dawg game will be the FIRST BALL CALLED winner. The player holding the number corresponding to the first ball called will win the \$100 first ball called prize.

TO DETERMINE THE SUPER DAWG WINNER

The Dawg winner is determined by the first vertical row to be called on the bingo board (i.e. for Dawg 1 to win, the numbers B-01, I-16, N-31, G-46 and O-61 would be called prior to any other row being vertically called). The winning bingo number (Dawg) corresponds with the top number of the winning vertical row. The numbers are called until a vertical row has been filled. The player holding the Dawg tab corresponding to the winning vertical row will win \$300. NOTE: The caller will continue to draw bingo balls until a single vertical row has been filled. Once the first vertical row has been filled, the caller should stop calling balls.

TO DETERMINE THE LAST BALL CALLED WINNER

The last bingo ball drawn from the vertical row determines the LAST BALL CALLED winner. The player holding the number corresponding to the last ball called will win the \$100 last ball called prize.
