How to Play

This is a traditional “instant win” pulltab game.

Players open five windows on the back of the ticket. Winning symbol combinations are identified on the front of each ticket. All instant winners are determined by matching three identical symbols.

There are two \$400 winners for matching three money roll symbols, one \$100 winner for matching three pig slot machine symbols, one \$100 winner for matching three diamond ring symbols, two \$5 winners for matching three shamrock symbols, twenty \$2 winners for matching three chip bag symbols, and two hundred \$1 winners for matching three cherry symbols.

There is a total of \$1,250 in instant winners in each deal.
