Game Procedures - Tournament Bad Beat Jackpot Texas Hold'Em

The Tournament Bad Beat Jackpot is a prize that is paid out when two or more individuals are involved in a hand where at showdown, quad deuces or better are beaten by a higher ranking hand. When this occurs, the total dollar amount posted that day as the bad beat jackpot amount is split amongst all active and remaining participants in the tournament which the Bad Beat hand occurred. The payout/split of the Bad Beat Jackpot and all other rules governing it are specified within the points of this document.

1. The Tournament Bad Beat shall apply to the game of Texas Hold'Em only. "Bad Beat" means a high ranking poker hand that is beat by a higher ranking hand (e.g., Four Deuces losing to Four Nines).
2. In order for a hand to be eligible to qualify for a Bad Beat, it must be dealt during any qualifying Texas Hold 'em multi table tournament.
3. A minimum of four players must be seated and dealt in at the beginning of the hand in order to qualify for the Bad Beat. (Other player minimums may apply.)
4. To qualify for the Tournament Bad Beat Jackpot, a player must have four Deuces or better beaten. If the winning or losing player has made a Four-of-a-Kind, that player must have a pocket pair to qualify (example: if a player has four Eights, he/she must have a pocket pair of Eights with two Eights on the board).
5. Both the winning and losing hands must use both of their hole cards to create the highest possible hand.
 - Four Deuces to Four Nines beaten wins 25% of displayed Bad Beat Jackpot amount
 - Four Tens or better beaten wins 100% of the displayed Bad Beat Jackpot amount
 - Each eligible player will be paid out as per rule #13
6. \$1 per player entry will be removed from the tournament prize pool to fund the Tournament Bad Beat jackpot.

7. In order for a hand to be eligible for the Tournament Bad Beat Jackpot, the hand must go to a showdown (played to the end, where all cards have been dealt and players have completed betting and show their cards to determine the winner) in order for the jackpot to be awarded.

8. On a daily basis, for each \$1 collected, 90% will be added to the Tournament Bad Beat Jackpot Bank and the remainder (10%) will be held in a reserve bank to replenish the Tournament Bad Beat Jackpot, when hit. These two banks will be treated as the players property and held in a separate checking account. The size of the Tournament Bad Beat Jackpot and reserve banks will be posted daily. Interest accrued on these funds will be retained by Concord Bingo Too, LLC to offset administrative expenses.

9. If a hand finishes with three qualifying hands, the lowest hand will only receive a player's share of the jackpot (e.g., Four Eights, Four Queens and a Queen High Straight Flush are dealt in the same hand. The Bad Beat hand will be the Four Queens and the winning hand will be the Queen High Straight Flush.)

10. Players must play their hands independently. Any discussion of the prize during the playing of the hand may void qualification for the Tournament Bad Beat Jackpot. If any player, whether directly or indirectly involved in the hand, passes information or instructs another on how to act or reveals his/her hand to other players, the Bad Beat Jackpot will be disqualified.

11. Management reserves the right to verify eligibility of all qualifying hands. There will be no recourse if the cards are mucked before surveillance was able to verify the hands and the community cards.

12. Poker management will not be permitted to reconstruct the hands in any way. In order to collect any Concord Bingo Too, LLC Tournament Bad Beat Jackpot payout, proper identification will be required.

13. Payouts of the Tournament Bad Beat Jackpot are listed below. These payouts will be posted. Any and all changes to these percentages will be effective @ the start of the new effective date.

- 40% of the Tournament Bad Beat Jackpot will be awarded to the Bad Beat hand (losing hand)
- 20% of the Tournament Bad Beat Jackpot will be awarded to the winner of the hand
- 40% of the Tournament Bad Beat Jackpot will be awarded equally among the balance of the seated players on the game who received cards at the beginning of the hand.

14. A player who revokes his/her chips from the game prior to a showdown on a hand where a Bad Beat is won, forfeits his/her right to any prize money.

15. A player who walks away from the game, but leaves his/her chips on the table AND he/she was in the hand at the beginning, will retain rights to his/her share of the Tournament Bad Beat Jackpot if a Bad Beat hand occurs.

16. Winners will be solely responsible for all taxes.

17. Prizes won are final. No substitution or transfer of prizes permitted.

18. In the rare occurrence of a Tournament Bad Beat Jackpot being hit on more than one table at the same time, surveillance will be contacted to determine the actual winner, verify whether the High or Low jackpot was hit, and then the jackpot will be distributed on each game according to the percentages set forth in Rule #13 above.

19. Decisions of the Poker Room Supervisor are final and without recourse.

20. By participating in the Concord Bingo Too, LLC Tournament Bad Beat Jackpot, winners consent to the use of their names and photographs for promotional purposes without additional compensation.

21. In the event Concord Bingo Too decides to halt the Tournament Bad Beat Jackpot, any and all monies held by Concord Bingo Too for the Tournament Bad Beat Jackpot will be raffled off. All players contributing money to the current Tournament Bad Beat jackpot from the next day of the last paid Tournament Bad Beat jackpot will be given one entry to the raffle. All players entered into the raffle will be posted Keene Poker Room Group Page on Facebook. The date and time of the drawing will be posted on Keene Poker Room Group Page on Facebook. The winner must be present at the time of the drawing to claim their prize. A name will be drawn every five minutes until a winner claims the prize.
