14 019

**Eligibility:** To be eligible to spin the prize wheel you must be 18 years or older and be playing at one of Seabrook Gaming's cash tables. In Limit Texas Hold em' the qualifying hand will be quad 2's or better, but the player can qualify with one hold card in their starting hand. In Limit Omaha (Hi, Hi/Lo/8 or better), the qualifying hand must be quad 8's or better using two (2) hold cards in their starting hand. The qualifying hand can be increased/reduced at the House's discretion if they feel they would like the prizes to hit less/more often.

**How to Play/Procedure:** If a player is dealt a qualifying hand the dealer will notify the Floor Supervisor on duty. Once the hand is confirmed by the Supervisor as a qualifier the player receives one (1) free spin of the Prize Wheel. The prize wheel must rotate a complete and full spin. If the wheel does not make a complete rotation, the spin will be void and the player can spin the wheel again. In the event that a qualified guest is unable to spin the wheel adequately, he/she may designate another guest to spin the wheel in their place. All prizes not claimed by the end of that business day are considered forfeited. A Player is only allowed to win one (1) prize for each spin.

**Limitations of Liability:** In no event will Seabrook Gaming be obligated to award more than the stated number of prizes offered. If it is suspected that the wheel has been tampered with or deliberately stopped by a participant manually, Seabrook Gaming reserves the right to disqualify any individual from receiving a prize. Seabrook Gaming also reserves the right to cancel/modify this promotion at any time.

- Prizes on the wheel will include various promotional gifts such as gift cards, electronics, apparel, cash chips and other various purchased or donated prizes. Prizes will vary daily.
